PROFESSIONAL SUMMARY

Full Stack Developer with 2+ years of hands-on and professional experience building modern, responsive, and scalable web applications. Skilled in HTML, CSS, JavaScript, and frameworks like React and Node.js, with strong expertise in building clean frontends and robust backend APIs.

WORK EXPERIENCE

Freelance frontend designer and full stack web and mobile developer – Freelance Full Stack Developer

Jan 2022 – Present | *offline and online markets*

- Currently building ACS Website for CSIT faculty of Prithvi Narayan Campus.
- Assisted students from Australia, Canada, and Japan with academic web projects, applying strong problem-solving skills to design and deliver tailored solutions.
- Built web application quiz-hunt.vercel.app for the QuizHunt app, available on the Play Store.
- Developed the ACS mobile app for the Association of CSIT Students, Prithvi Narayan Campus.
- Managed multiple high-priority projects concurrently by leveraging Jira for task tracking and Slack for real-time team communication, consistently meeting deadlines across freelance and corporate roles.

Frontend Developer – Nipuna Prabhidhik Sewa

Jan 2025 – Oct 2025 | Pokhara, Nepal

- Promoted to Junior Frontend Developer within a week due to performance and skill.
- Worked on large-scale Accounting and CRM web applications using React and Tailwind CSS
- Collaborated closely with backend developers and designers within an Agile framework, participating in sprints and stand-ups to deliver responsive, user-friendly UIs.
- Contributed to code reviews, bug fixes, and feature implementations in production systems, utilizing Jest to write unit tests and ensuring pixel-perfect UI by meticulously validating implementations against Figma designs.

EDUCATION

Prithvi Narayan Campus – Pokhara, Nepal

2023-2026 (exp.)

BSc. CSIT

Amarsingh Secondary School – Pokhara, Nepal

2022

+2 Science
